PROXY STATEMENT

2007 ANNUAL MEETING OF STOCKHOLDERS

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Barrett Business Services, Inc. (the "Company"), to be voted at the annual meeting of stockholders to be held on May 17, 2007, and any adjournments thereof. The proxy statement and accompanying form of proxy were first mailed to stockholders on approximately April 17, 2007.

VOTING, REVOCATION, AND SOLICITATION OF PROXIES

When a proxy in the accompanying form is properly executed and returned, the shares represented will be voted at the meeting in accordance with the instructions specified in the spaces provided in the proxy. If no instructions are specified, the shares will be voted FOR Item 1 in the accompanying Notice of Annual Meeting of Stockholders.

Any proxy given pursuant to this solicitation may be revoked by the person giving the proxy at any time prior to its exercise by written notice to the Secretary of the Company of such revocation, by a later dated proxy received by the Company, or by attending the meeting and voting in person. The mailing address of the Company's principal executive offices is 8100 N.E. Parkway Drive, Suite 200, Vancouver, Washington 98662.

The solicitation of proxies will be made primarily by mail, but proxies may also be solicited personally or by telephone or facsimile by directors and officers of the Company without additional compensation for such services. Brokers and other persons holding shares in their names, or in the names of nominees, will be reimbursed for their reasonable expenses in forwarding soliciting materials to their principals and in obtaining authorization for the execution of proxies. All costs of solicitation of proxies will be borne by the Company.

OUTSTANDING VOTING SECURITIES

The close of business on March 30, 2007, has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the annual meeting. On the record date, the Company had outstanding 11,256,825 shares of Common Stock, \$.01 par value ("Common Stock"), each share of which is entitled to one vote at the meeting. Common Stock is the only outstanding voting security of the Company. The presence, in person or by proxy, of stockholders entitled to cast a majority of all votes entitled to be cast at the meeting is required to constitute a quorum.

ITEM 1 - ELECTION OF DIRECTORS

The directors of the Company are elected at the annual meeting of stockholders in May to serve until the next annual meeting and until their successors are elected and qualified. The Company's Bylaws authorize the Board to set the number of positions on the Board within a range of three and nine. The Board is currently comprised of six directors. Vacancies on the Board, including vacancies resulting from an increase in the number of positions, may be filled by the Board for a term ending with the next annual meeting of stockholders.

All of the nominees for election as directors are members of the present Board.

A nominee will be elected if the nominee receives a plurality of the votes cast by the shares entitled to vote in the election, provided that a quorum is present at the meeting. A duly executed proxy will be voted FOR the election of the nominees named below, unless authority to vote for a director is withheld or a proxy of a broker or other nominee is expressly not voted on this item (a "broker non-vote"). Shares not voted for the election of directors, because authority to vote is withheld, or due to a broker non-vote or failure to return a proxy, will not count in determining the total number of votes for each nominee.

If for some unforeseen reason a nominee should become unavailable for election, the number of directors constituting the Board may be reduced prior to the annual meeting or the proxy may be voted for the election of such substitute nominee as may be designated by the Board.

The following table sets forth information with respect to each person nominated for election as a director, including their ages as of February 28, 2007, business experience during the past five years, and directorships in other corporations.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board held five meetings in 2006. During 2006, each director attended at least 75 percent of the total number of the meetings of the Board and the meetings held by each committee of the Board on which he served during his tenure on such committee or the Board.

The Company does not have a policy regarding directors' attendance at the Company's annual meeting of stockholders. All of the Company's Board members attended last year's annual meeting.

The Board has determined that Messrs. Carley, Hicks, Johnson, Justesen, and Meeker are independent directors as defined in Rule 4200(a)(15) of the listing standards applicable to companies quoted on The Nasdaq Stock Market.

Audit and Compliance Committee

The Audit and Compliance Committee (the "Audit Committee") reviews and pre-approves audit and legally permitted non audit services provided by the Company's independent registered public accounting firm (the "independent auditors"), makes decisions concerning the engagement or discharge of the independent auditors, and reviews with management and the independent auditors the results of their audit, the adequacy of internal accounting controls, and the quality of financial reporting. The Audit Committee also develops and oversees the Company's corporate governance principles and the Company's Code of Business Conduct and Code of Ethics for Senior Financial Officers. The Audit Committee held six meetings in 2006.

The current members of the Audit Committee are Messrs. Carley (chair), Hicks, Johnson, and Meeker. The Board has determined that Thomas J. Carley is qualified to be an "audit committee financial expert" as defined by the Securities and Exchange Commission ("SEC") under the Securities Exchange Act of 1934 (the "Exchange Act"). The Board has also determined that each member of the Audit Committee, including Mr. Carley, meets the financial literacy and independence requirements for audit committee membership specified in applicable rules of the SEC under the Exchange Act and in listing standards applicable to companies quoted on The Nasdaq Stock Market. The Audit Committee's activities are governed by a written charter, a copy of which is available on the Company's website at www.barrettbusiness.com.

Compensation Committee

The Compensation Committee reviews the compensation of executive officers of the Company and makes recommendations to the Board regarding salary levels and other forms of compensation to be paid to executive officers, including decisions as to grants of options and other stock-based awards. The current members of the Compensation Committee are Messrs. Meeker (chair), Hicks, and Justesen, all of whom were "independent" as defined in Rule 4200(a)(15) of the listing standards for companies quoted on The Nasdaq Stock Market. The Compensation Committee held three meetings in 2006.

The Compensation Committee does not operate under a formal written charter. The Compensation Committee is charged with carrying out the Board's overall responsibilities relating to compensation of the Company's executive officers and directors. Its specific duties include reviewing the Company's bonus and equity compensation programs, CEO compensation and director compensation arrangements, and recommending changes to the Board as it deems appropriate, as well as recommending to the Board the annual compensation, including salary, bonus and equity awards, for the Company's Chief Executive Officer.

The CEO reviews the performance of each executive officer (other than himself) and makes recommendations to the Compensation Committee periodically regarding salary adjustments and awards of stock options and annually regarding cash incentive bonuses for the executive officers. Such recommendations are based upon the Company's executive officer compensation plan. The Compensation Committee is responsible for annually evaluating the CEO's performance and presenting its conclusions and recommendations regarding his compensation to the full Board for approval. The Compensation Committee exercises its own discretion in accepting or modifying the CEO's recommendations regarding the performance and compensation of the Company's other executive officers.

The Compensation Committee does not have express authority to retain outside compensation consultants and other advisors. During 2006, the Compensation Committee did not engage compensation consultants, and it has not made a practice of doing so in the past.

Nominating Committee

The Nominating Committee evaluates and recommends candidates for nomination by the Board in director elections and otherwise assists the Board in determining and evaluating the composition of the Board and its committees. The Nominating Committee also assists in identifying candidates for appointment as officers of the Company. The current members of the Nominating Committee are Messrs. Hicks (chair), Carley, Justesen, and Meeker. The Nominating Committee held one meeting in 2006.

The Board has determined that each current member of the Nominating Committee is an independent director as defined in Rule 4200(a)(15) of the listing standards applicable to companies quoted on The Nasdaq Stock Market. The Nominating Committee is governed by a written charter, which is available on the Company's website at www.barrettbusiness.com.

The Nominating Committee does not have any specific, minimum qualifications for director candidates. In evaluating potential director nominees, the Nominating Committee will consider:

- The candidate's ability to commit sufficient time to the position;
- Professional and educational background that is relevant to the financial, regulatory, and business environment in which the Company operates;
- Demonstration of ethical behavior;
- Whether the candidate contributes to the goal of bringing diverse perspectives, business experience, and expertise to the Board; and
- The need to satisfy independence and financial expertise requirements relating to Board composition.

The Nominating Committee relies on its periodic evaluations of the Board in determining whether to recommend nomination of current directors for re-election. Whenever the Nominating Committee is required to identify new director candidates, because of a vacancy or a decision to expand the Board, the Nominating Committee will poll current directors for suggested candidates. The Nominating Committee has not hired a third-party search firm to date, but has the authority to do so if it deems such action to be appropriate.

Once potential candidates are identified, the Nominating Committee will conduct interviews with the candidates and perform such investigations into the candidates' background as the Nominating Committee determines appropriate.

The Nominating Committee will consider director candidates suggested by stockholders for nomination by the Board. Stockholders wishing to suggest a candidate to the Nominating Committee should do so by sending the candidate's name, biographical information, and qualifications to: Nominating Committee Chair c/o Michael D. Mulholland, Secretary,

Barrett Business Services, Inc., 8100 N.E. Parkway Drive, Suite 200, Vancouver, Washington 98662. Candidates suggested by stockholders will be evaluated by the same criteria and process as candidates from other sources.

Mr. Johnson was elected to the Board by current directors in November 2006. Mr. Johnson was recommended to the Company by Mr. Sherertz, the Company's President and CEO and a significant shareholder. Mr. Johnson is a first cousin of Mr. Justesen.

EXECUTIVE COMPENSATION

Compensation Committee Report

The Compensation Committee is charged with carrying out the Board's overall responsibilities relating to compensation of the Company's executive officers. The Compensation Committee has reviewed the following section entitled "Compensation Discussion and Analysis" and has discussed its contents with members of the Company's management. Based on its review and discussions, the Compensation Committee has recommended to the Board of Directors that the following section be included in the proxy statement, as well as in the Company's Annual Report on Form 10-K for the year ended December 31, 2006, through its incorporation by reference from the proxy statement.

Submitted by the Compensation Committee of the Board of Directors:

Anthony Meeker, Chair
James B. Hicks, Ph.D.
Jon L. Justesen

Compensation Discussion and Analysis

Compensation Philosophy and Objectives The Compensation Committee (for purposes of this section, the "Committee") has responsibility for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy. The goal of the Committee is to ensure that the total compensation paid to the Company's executive officers is fair, reasonable and competitive.

The Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual or long-term strategic goals by the Company. The principles underlying our compensation policies are:

- to attract and retain qualified people;
- to provide competitive compensation relative to compensation paid to similarly situated executives; and
- to align the interests of executives to build long-term shareholder value.

2006 Executive Compensation Components For the fiscal year ended December 31, 2006, the principal components of compensation for executive officers were:

- base salary; and
- performance-based cash incentive compensation.

Base Salary

In determining base salaries for executives, the Committee primarily considers:

- available market data;
- suggestions from the Chief Executive Officer;
- scope of responsibilities; and
- individual performance of the executive.

Salary levels of executive officers are reviewed periodically by the Committee and the CEO as part of the performance review process, as well as upon a promotion or other change in job responsibility. Merit-based salary increases for executive officers are based on the Committee's assessment of recommendations put forth by the CEO. The Compensation Committee accepted management's recommendation that salary levels for the Company's executive officers remain unchanged during 2006, as reflected in the following table.

<u>Name</u>	<u>Position</u>	<u>Annual Base Salary</u>	<u>% Increase</u>
William W. Sherertz	President and CEO	\$ 250,000	0 %
Michael L. Elich	Vice President and Chief Operating Officer	\$ 175,000	0 %
Michael D. Mulholland	Vice President — Finance, Treasurer, and Secretary	\$ 200,000	0 %
Gregory R. Vaughn	Vice President	\$ 165,000	0 %

Performance-Based Cash Incentive Compensation

The Company has in place an Annual Cash Incentive Bonus Award Program for Executive Officers (the "Incentive Program"). Under the Incentive Program, an annual bonus is paid based on the Company's annual Return on Equity ("ROE"). ROE is calculated by dividing the Company's current year's net income (before taking into account the provision for executive officer bonuses) by the Company's total shareholders' equity as of December 31 of the preceding year. In February of each year, after the Company's financial results for the prior year have been finalized, bonuses are determined, in part, by multiplying the officer's salary during the preceding year by the Company's ROE. The Compensation Committee, in its discretion, may approve the payment of additional bonus amounts in excess of the amounts calculated under the pre-approved ROE formula.

The Company's return on equity was 19.2% for 2006. The Committee determined to award cash incentive bonuses for 2006 in amounts not less than the amounts paid in 2005.

Long-Term Equity Incentive Compensation

In prior years, the Committee has granted stock options to executive officers and other key employees under the Company's 2003 Stock Incentive Plan. No grants were made to executive officers in 2006. The Company is reviewing whether equity compensation will be a part of its compensation program in the future in light of the requirement to expense all equity incentive awards.

When granted, stock options typically have an exercise price equal to or greater than the market value of the Common Stock on the date of grant. The amount of options granted to an executive officer is based on his performance and relative responsibilities and the Company's policies and practices at the time.

Retirement and Other Benefits

Employees, including executive officers, may participate in the Company's 401(k) defined contribution plan. The Company matches each employee's contributions at a rate of 100% on the first 3% of salary deferrals and 50% on the next 2% of salary deferrals, with a maximum Company paid match of \$8,800. Mr. Sherertz is also provided with an automobile allowance and occasionally uses the Company's plane for personal purposes.

Mr. Elich and Mr. Mulholland each have employment agreement with the Company that provide for severance benefits in certain circumstances as described under "Potential Payments upon Termination or Change in Control" below.

Deductibility of Executive Compensation. The Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which limits the deductibility for federal income tax purposes of annual compensation totaling more than \$1,000,000 paid to certain executive officers, with exceptions for qualifying performance-based compensation. The Company believes that compensation paid to its executive officers is fully deductible for federal income tax purposes.

Additional Equity Compensation Plan Information

The following table summarizes information regarding shares of the Company's Common Stock that may be issued upon exercise of options, warrants, and rights under the Company's existing equity compensation plans and arrangements as of December 31, 2006. The only plan or arrangement under which equity compensation could be awarded at December 31, 2006, was the Company's 2003 Stock Incentive Plan, which was approved by stockholders in May 2003. Prior to 2003, grants of stock options were made under the Company's 1993 Stock Incentive Plan, which had been approved by stockholders. The information includes the number of shares covered by, and the weighted average exercise price of, outstanding options, warrants, and other rights under both plans, and the number of shares remaining available for future grants excluding the shares to be issued upon exercise of outstanding options.

Potential Payments Upon Termination or Change in Control

Michael D. Mulholland, the Company's Vice President-Finance, Treasurer, and Secretary, and Michael L. Elich, the Company's Vice President and Chief Operating Officer, are parties to agreements with the Company that may result in payments to them upon a termination or change in control.

Mr. Mulholland's employment agreement, which was effective January 26, 1999, provides that if Mr. Mulholland's employment is terminated by the Company following a change in control of the Company other than by reason of death or disability or for cause, or by Mr. Mulholland within 90 days following a change in duties related to a change in control of the Company, he will be entitled to receive a lump sum payment of an amount equal to two times his then-current annual base salary.

For purposes of Mr. Mulholland's agreement, change in control of the Company includes (i) any occurrence which would be required to be reported as such by the proxy disclosure rules of the SEC, (ii) the acquisition by a person or group (other than the Company or one of its employee benefit plans) of 30% or more of the combined voting power of its voting securities, (iii) with certain exceptions, the existing directors' ceasing to constitute a majority of the Board, (iv) certain transactions involving the merger, sale, or transfer of a majority of the assets of the Company, or (v) approval by the stockholders of a plan of liquidation or dissolution of the Company. A change in control does not, however, include a business combination transaction in which the Company becomes a privately-held company and William W. Sherertz continues as President and Chief Executive Officer.

A change in duties includes a significant change in the nature or scope of Mr. Mulholland's position, responsibilities, authorities or duties, a significant diminution in his eligibility to participate in compensation plans or benefits, a change in the location of his employment by more than 30 miles, or a significant violation of the Company's obligations under his agreement.

Mr. Mulholland's agreement is subject to automatic extension for an additional year annually unless either party notifies the other of an election to terminate the agreement by December 27 of the prior year. In the event of a change in control of the Company, the agreement will be renewed automatically for a two-year period beginning with the day immediately preceding the change in control.

Mr. Elich's employment agreement, which was effective October 1, 2001, provides that, in the event that Mr. Elich's employment is terminated by the Company other than for cause or by Mr. Elich within 90 days following a change in duties (as described above), in each case only in the event of any circumstance that causes William W. Sherertz to relinquish his management position as President and Chief Executive Officer of the Company, he will be entitled to a lump-sum payment in an amount equal to 100% of his then annual base salary.

Mr. Elich's agreement includes confidentiality, non-competition, and non-solicitation provisions. The non-competition and non-solicitation provisions limit his activities for 18 months after most types of terminations of employment, whether or not severance has been paid to him.

The following table shows estimated potential pay-outs to Mr. Mulholland and Mr. Elich, assuming that their respective employment with the Company was terminated under circumstances that triggered a right to payment as described above, and termination occurred on the last business day of 2006.

<u>Name</u>	<u>Cash Payment Amount</u>
Michael L. Elich	\$ 175,000 ⁽¹⁾
Michael D. Mulholland	\$ 400,000 ⁽¹⁾

(1) Each executive will be entitled to the listed amount only under the circumstances described above. If a payment is triggered, it must be paid in a lump sum within three days of termination.

RELATED PERSON TRANSACTIONS

There are no written procedures regarding review or approval of any such transactions, and no specific standards are employed by the Audit Committee in determining whether or not to approve a particular transaction.

STOCKHOLDER PROPOSALS FOR ANNUAL MEETING IN 2008
