**Stockholders for BBSI Value**

**February [8], 2012**

Dear Fellow Stockholders:

For the reasons set forth in the enclosed Proxy Statement, the participants in this solicitation (collectively, “Stockholders for BBSI Value” or “we” or “us”) do not believe that five (5) of the six (6) current directors, specifically Messrs. Thomas Carley, James Hicks, Roger Johnson, Jon Justesen, and Anthony Meeker of Barrett Business Services, Inc. (“BBSI” or the “Company”) (the “Five Directors”) are capable of acting in the best interests of the Company’s stockholders. We also believe that the Five Directors do not collectively possess the backgrounds and experience necessary to maximize stockholder value.

As permitted under Sections 1.2 and 2.10 of the Company’s Bylaws, Article III(2)(i) of its Charter (Common Stock is entitled to one vote per share on all corporate matters), and the Maryland General Corporation Law, we seek to remove the Five Directors from the current board of directors and elect our seven (7) proposed nominees to the board of directors in order to allow all BBSI stockholders to realize the fullest potential of their investments in the Company. We do not seek to replace or remove current director Mr. Michael Elich nor are we nominating or including Mr. Elich as one of our seven (7) proposed nominees. If the Five Directors are removed and our seven (7) nominees elected, our Nominees will, if necessary and once seated on the Board, increase the Board in size from six (6) to eight (8) by passing a resolution to increase the number of seats on the Board, which is permitted under Section 2.2 of the Bylaws so long as a majority of the directors vote to increase the size of the Board. For the reasons discussed in the enclosed Proxy Statement, we do not believe that the Five Directors are acting or will in the future act in the best interests of the Company’s stockholders.

We submitted written requests to the Company that the Company call a special meeting of the stockholders on February 21, 2012, pursuant to Section 1.2 of the Company’s Bylaws. The Company, through its attorney, informed us by letters of January 13 and January 20, 2012 that it viewed the requests for a special meeting as legally inadequate on the grounds that the Estate of William W. Sherertz (the “Estate”) and Kimberly J. Jacobsen Sherertz were not “stockholders entitled to cast 25 percent of all votes entitled to be cast” under Maryland law. We disagree with the Board’s choice not to call the special meeting of stockholders as requested by letter of December 21, 2011, as amended by letter of December 29, 2011, and as reiterated in letters of January 11 and January 19, 2012. [On February 8, 2012, without prejudice to the initial special meeting request, as amended, and our objection to the Company’s position, and at significant additional expense, we caused the record holder of the Estate’s and Ms. Sherertz’s shares, Cede & Co, which is the nominee of The Depository Trust Company, to make a new special meeting request for the same purposes previously requested in our letter of December 29, 2011. We also caused Cede & Co. to request, pursuant to section 2-513 of the Maryland General Corporation Law, the Company make its books, records and stockholder lists available for copying and inspection. Through Cede & Co., the Estate and Ms. Sherertz have requested that a special meeting of the stockholders be held on March 13, 2012 at 11:00 a.m. Pacific Time at The Heathman Lodge, 7801 NE Greenwood Drive, Vancouver, Washington, 98662, (including any adjournments, postponements or continuations thereof, the “Special Meeting”), as permitted under the Company’s Bylaws.

We seek your support at the Special Meeting to take the following actions:

- 1) to remove the Five Directors from the Board of the Company;
- 2) to elect the seven (7) nominees proposed by us (our “Nominees”); and
- 3) to vote in our discretion on such other matters as may properly come before the Special Meeting and that are not known within a reasonable time before the date of this Proxy Statement.

We think you will agree that the Five Directors are not acting in the best interests of the BBSI stockholders. The time has come to move forward by electing our Nominees to the Board. We believe that our Nominees possess the skill, experience and motivation that will enable them to represent the best interests of the Company’s stockholders.

We are seeking your support at the Special Meeting. Please read the enclosed Proxy Statement carefully for more detailed information about our Nominees.

On behalf of Stockholders for BBSI Value,

Kimberly J. Jacobsen Sherertz

**SPECIAL MEETING OF THE STOCKHOLDERS  
OF**

**BARRETT BUSINESS SERVICES, INC.**

**PROXY STATEMENT**

**OF**

**KIMBERLY J. JACOBSEN SHERERTZ AND OTHER PARTICIPANTS**

The participants in this solicitation (collectively, “Stockholders for BBSI Value” or “we” or “us”) are concerned about five (5) of the six (6) directors currently on the board of directors of the Company, specifically Messrs. Thomas Carley, James Hicks, Roger Johnson, Jon Justesen, and Anthony Meeker (the “Five Directors”) of Barrett Business Services, Inc. (“BBSI” or the “Company”). Without former Chairman, CEO and President William “Bill” W. Sherertz, who served as CEO since 1980 until his unexpected passing on January 20, 2011, at the helm of the Company we believe that the Five Directors’ membership has resulted in an ineffective board of directors (the “Existing Board”). We have expressed our support for current President, Chief Executive Officer and member of the Board Mr. Michael Elich in public filings with the Securities and Exchange Commission (the “SEC” or “Commission”) and are not seeking to remove or replace Mr. Elich. Mr. Elich is not one of our Nominees (as defined below). We believe changes to the composition of the Existing Board are imperative to ensure that the Company is managed in a manner consistent with the best interests of all its stockholders.

We believe an engaged and proactive Board is vital to serve the best interests of the BBSI stockholders. We are therefore seeking your support at the special meeting of stockholders requested on February 8, 2012 by Cede & Co., the nominee of The Depository Trust Company, on behalf of Kimberly J. Jacobsen Sherertz, individually and as sole representative of the Estate of William W. Sherertz (the “Estate”), be held on March 13, 2012 at 11:00 a.m. Pacific Time at The Heathman Lodge, 7801 NE Greenwood Drive, Vancouver, Washington, 98662 (including any adjournments, postponements or continuations thereof, the “Special Meeting”), to remove the Five Directors and elect our slate of seven director nominees to the Board.

On December 21, 2011 the Estate and Ms. Sherertz submitted a written request through its attorney to the Company that a special meeting of the stockholders be held on February 21, 2012, pursuant to Section 1.2 of the Company’s Bylaws and that the Company make available for copying and inspection its stockholder lists. That request was subsequently amended by letter of December 29, 2011 to call for the removal of the Five Directors instead of the Existing Board. The Company, through its attorney, informed us by letters of January 13 and January 20, 2012 that it viewed the Estate’s and Ms. Sherertz’s requests for a special meeting and stockholder lists as legally inadequate on the grounds that the Estate and Ms. Sherertz were not “stockholders” entitled to make those requests under Maryland law. We disagree with the Company’s choice to not call the special meeting of stockholders or make the stockholder lists available for copying and inspection as requested by letter of December 21, 2011, as amended by letter of December 29, 2011, and as reiterated in letters of January 11 and January 20, 2012. On February 8, 2012, without prejudice to the initial special meeting request, as amended, and our objection to the Company’s position, and at significant additional expense, we caused the record holder of the shares beneficially owned by the Estate and Ms. Sherertz, Cede & Co, which is the nominee of The Depository Trust Company, to make a new special meeting request for the same purposes previously requested in our letter of December 29, 2011. We also caused Cede & Co. to request, pursuant to section 2-513 of the Maryland General Corporation Law, the Company make its books, records and stockholder lists available for copying and inspection.

This proxy statement (the “Proxy Statement”) and the enclosed GREEN proxy card are being furnished to the Company’s stockholders by us in connection with the solicitation of proxies for the following:

- 1) to remove the Five Directors from the Board of the Company;
- 2) to elect the seven (7) nominees proposed by us (our “Nominees”); and
- 3) to vote in our discretion on such other matters as may properly come before the Special Meeting and that are not known within a reasonable time before the date of this Proxy Statement.

Charles M. Gillman, Kimberly J. Jacobsen Sherertz, the Estate of William W. Sherertz, Keith L. Barnes, Michael L. Boguski, Lawrence D. Firestone, Daniel C. Molhoek, W. Scott Rombach, and Mark D. Stolper are the “participants” comprising Stockholders for BBSI Value. As of the date of this Proxy Statement, the Estate, Ms. Sherertz and Mr. Gillman may be deemed, collectively, the beneficial owners of an aggregate of 2,543,778 shares of

common stock of the Company, which currently represents approximately 25.71% of the issued and outstanding common stock of the Company, all of which will be entitled to vote at the Special Meeting.<sup>1</sup> Mr. Gillman expressly disclaims beneficial ownership of those shares and the Estate expressly disclaims beneficial ownership of the 55,349 shares beneficially owned by Ms. Sherertz in her individual capacity. The Nominees do not own any shares of BBSI and expressly disclaim beneficial ownership of the 2,543,778 shares beneficially owned by the Estate and Ms. Sherertz.

The Company has set as the record date for determining stockholders entitled to notice of and to vote at the Special Meeting [ ], [ ] 2012 (the "Record Date"). According to the Company, as of the Record Date, there were [ ] shares of common stock of the Company, par value \$0.01 per share (the "Common Stock"), outstanding and entitled to vote at the Special Meeting. The mailing address of the principal executive offices of the Company is 8100 N.E. Parkway Drive, Suite 200 Vancouver, Washington 98662.

**BACKGROUND FOR THE SOLICITATION**

The following is a chronology of events leading up to this proxy solicitation:

- On January 20, 2011 Mr. William W. Sherertz passed away. Mr. Sherertz was the Chairman of the Board, President and Chief Executive Officer of the Company at the time of his passing.
- On February 4, 2011, as a result of the passing of William W. Sherertz, the Estate of William W. Sherertz (the “Estate”) and Ms. Sherertz, in her capacity as the sole personal representative of the Estate, became the beneficial owners of 2,644,529 shares of Common Stock. On that same date, the Clerk of the Superior Court of the State of Washington for Clark County in Case No. 11-4-00087-8 recognized Kimberly J. Jacobsen Sherertz as the “Personal Representative” of the Estate and authorized Ms. Sherertz to execute the Will and First Codicil to Will of William W. Sherertz.
- On March 2, 2011 Ms. Sherertz and one of her financial advisors, Mr. Shawn Willard, met with then interim Chief Executive Officer of the Company Mr. Michael Elich and Chairman of the Board of the Company Mr. Anthony Meeker to discuss the Estate and the Company. The main purpose of the meeting was to provide an overview of the position of the Estate relative to its BBSI holdings, particularly that an aggressive selling campaign would be detrimental to the Estate and likely place pressure on the stock price, which would be detrimental to all stockholders. Ms. Sherertz and Mr. Willard then explained certain obligations of William W. Sherertz’s Trust as to why that would be the case. Ms. Sherertz also requested in writing that the Company hire an investment banker to evaluate all strategic alternatives for the Company in the wake of the passing of the Company’s former Chairman and CEO. No response was ever received by Ms. Sherertz regarding her request that the Company hire an investment banker. Approximately one week later, Mr. Meeker told Mr. Willard that unless Mr. Willard was formally advising Ms. Sherertz pursuant to a written agreement, Mr. Meeker would no longer be willing to speak with Mr. Willard.
- On April 28, 2011 Ms. Sherertz filed a Schedule 13D with the SEC, which stated that she had retained D.A. Davidson & Co., a broker dealer, as financial advisor to the Estate and herself individually to assist in monitoring and evaluating their investments in the Company.
- On May 16, 2011 Ms. Sherertz and one of her advisors from D.A. Davidson & Co. met with the Board of the Company to discuss Ms. Sherertz’s belief that the Company and its stockholders would benefit from the addition of individuals to the Board who had a substantial beneficial ownership interest in the Company and a wider variety of business experience. At the May 16 meeting, Ms. Sherertz proposed expanding the number of directors on the Board from six (6) to nine (9) members, with Ms. Sherertz filling one of the seats on the Board and the remaining two positions being filled by persons recommended by Ms. Sherertz. The Board offered Ms. Sherertz a seat on the board of directors of the Company but was otherwise silent. Ms. Sherertz is without knowledge of the bases for the Board’s reaction to her requests. At that May 16, 2011 meeting, Ms. Sherertz and the Board also discussed the Company’s change in control agreements executed the month prior to the meeting. Specifically, Ms. Sherertz and her advisor discussed with the Board the issue of single versus double trigger change in control agreements.
- On July 21, 2011 Ms. Sherertz emailed a cover letter and her resume to Anthony Meeker per his July 20, 2011 email asking that she produce a cover letter and resume for the Board to review for the purpose of considering Ms. Sherertz for nomination to the Board.
- On September 8, 2011 Ms. Sherertz was invited by Anthony Meeker, Chairman of the Board, to interview with the entire Board. Ms. Sherertz received a memorandum from Company counsel, Miller Nash LLP, regarding “Fiduciary Duties of Directors.” Ms. Sherertz never heard from the Company or Miller Nash regarding the interview and is without knowledge why she was never contacted again regarding her interview.

- On October 5, 2011 Ms. Sherertz and Mr. Charles Gillman entered a Joint Filing Agreement and formed a “group.” Ms. Sherertz, as sole representative of the Estate and individually, and Mr. Gillman agreed to work together for the purpose of consulting with recognized experts on corporate governance and the proxy advisory process.
- On October 6, 2011 Ms. Sherertz and Mr. Gillman announced in a public filing with the SEC that they were alarmed by the low level of stock ownership of the Existing Board and that in their experience low levels of stock ownership by boards of companies was contrary to the long-term interests of stockholders of such companies.
- On November 22, 2011 Ms. Sherertz and Mr. Gillman announced they would assemble a slate of directors to nominate for the Board of the Company at the Company’s next annual meeting of the stockholders and that such proposed slate of directors would be better suited to work with the Company’s current Chief Executive Officer Michael Elich than the Existing Board.
- On November 22, 2011, Frederic Dorwart, Lawyers, the law firm retained by Ms. Sherertz and Mr. Gillman (“our counsel”), faxed and sent a letter by certified mail on behalf of the group to Mr. Elich notifying him that Mr. Gillman, a member of the group, would like to speak with him.
- On December 5, 2011 soliciting material pursuant to 17 C.F.R. § 240.14a-12 was published and which indicated that the group supported the Company’s current Chief Executive Officer, management, and branch managers.
- On December 14, 2011 soliciting material pursuant to 17 C.F.R. § 240.14a-12 was published and which indicated that the group was of the opinion that the Company’s Change in Control Agreements in place with executive management of the Company needed to be revised to conform with industry standards and best practices.
- On December 16, 2011, our counsel again faxed and sent a letter by certified mail to Mr. Elich asking him to contact Mr. Gillman.
- On December 21, 2011 our counsel sent a letter to the Company pursuant to the Company’s Bylaws requesting that a special meeting of the stockholders be held on February 21, 2012 at 11:00 a.m. Pacific Time at The Heathman Lodge, 7801 NE Greenwood Drive, Vancouver, Washington 98662, for the purpose of removing all of the current directors from the Company’s Board and consideration by the stockholders of the group’s Nominees to serve on the Board of the Company. The December 21, 2011 letter also requested that, pursuant to Section 2-513 of the Maryland General Corporation Law, the Company make available for inspection and copying a list of the Company’s stockholders.
- On December 23, 2011 our counsel received by email a PDF of a letter from the law firm Miller Nash LLP requesting that certain types of future communications by our counsel relating to the Company be directed to Mary Ann Frantz at Miller Nash LLP.
- On December 29, 2011 our counsel sent another letter to the Company amending its request for a special meeting of the stockholders to be called by the Secretary of the Company. Specifically, the amendment stated that the purpose of the special meeting was the removal of the Five Directors and consideration by the stockholders of the group’s Nominees to serve on the Board of the Company.
- On January 9, 2012, our counsel called the Company’s attorney at Miller Nash LLP to inquire when the stockholder list requested would be ready for inspection and copying and whether Mr. Elich or any members of the Existing Board would be willing to speak with some of the participants regarding bringing the Company’s current Change in Control Agreements in line with industry standards. We have never received a response from or had any meetings with Mr. Elich despite having requested to speak with him three times.
- On January 10, 2012, our counsel received a letter from Miller Nash stating that while the Company had obtained a copy of the list of stockholders verified by the Company’s stock transfer agent, the list would not be provided to Ms. Sherertz until evidence was presented that she was in fact a stockholder of record of at least 5 percent of the outstanding Common Stock of the Company and had been so for at least six months.

- On January 11, 2012, our counsel and Ms. Sherertz sent letters to Miller Nash objecting to the Company's position in denying Ms. Sherertz's request to inspect and copy the stockholder list of the Company. Both letters also demanded that the Company respond to Ms. Sherertz's requests made in December 2011 that a special meeting of the stockholders be called pursuant to the Company's Bylaws for the purpose stated in the letter of December 29, 2011 amending the original December 21, 2011 request.
  - On January 13, 2012, the participants issued a press release that was filed with the Commission that same day on Schedule 14A, which noted the participants' efforts to reach out to current CEO Michael Elich, their dissatisfaction with the Company's Change in Control Agreements and the Board's lack of response to Ms. Sherertz's request that a special meeting of the stockholders be held on February 21, 2012. We note that in the press release we issued on January 13, 2012 the following statement was made: "The failure of BBSI's Directors to cause BBSI to reasonably respond to the requests of Ms. Sherertz is a patent breach of fiduciary duty owed to Ms. Sherertz by the BBSI Directors for which they shall be held accountable." We hereby revoke that statement and replace it with the following: "We believe the failure of BBSI's Directors to cause BBSI to reasonably respond to the requests of the Estate and Ms. Sherertz, major stockholders, illustrates the need to elect new members of the Board who will demonstrate accountability to stockholders."
  - Also on January 13, 2012, our counsel received a letter from Miller Nash setting forth the reason why the Company chose not to call the special meeting of the stockholders as requested by Ms. Sherertz. The Board took the position that "only stockholders of record entitled to cast at least 25 percent of all the votes entitled to be cast a special meeting of stockholders of BBSI may request that a special meeting of the stockholders of BBSI be called by the Secretary of BBSI."<sup>2</sup>
  - On January 18, 2012 the Company issued a press release that was filed with the Commission on Schedule 14A finally responding to some of the issues previously raised by us in our public filings with the Commission.
  - On January 19, 2012, our counsel sent a letter to the Company's attorney disputing the Company's view of the Estate's and Ms. Sherertz's ability to call a special meeting of the stockholders and request the stockholder list be made available for inspection and copying. The letter also reiterated Ms. Sherertz's and the Estate's demand that the Company provide to Ms. Sherertz and the Estate the costs of the notice of the special meeting so that the Ms. Sherertz and the Estate could pay such costs, as required by the Company's Bylaws. Also on January 19, Cede & Co. gave notice to the Company of Ms. Sherertz's intent to bring nominations of persons for election to the Board at the Company's next Annual Meeting and that she intended to nominate the seven nominees named in this Proxy Statement, in accordance with the Company's Bylaws.
  - On January 20, 2012, the Company's attorney informed us by letter that the Company would continue to deny calling a special meeting of the stockholders as requested by the Estate and Ms. Sherertz in December 2011. The Existing Board noted that its decision not to call the requested special meeting had not changed and such decision was reached after consulting with Maryland counsel.
  - On January 30, 2012, Ms. Sherertz, individually and as sole representative of the Estate, and Mr. Gillman disclosed that Ms. Sherertz, individually, through one of her brokers caused Cede & Co. to give notice to the Company on January 19, 2012 of Ms. Sherertz's intent to bring nominations of persons for election to the Board at the Company's next Annual Meeting. That public filing also disclosed that the Estate had recently sold 50,000 shares of Common Stock in the open market in a series of transactions.
- On February 8, 2012 a public filing was made with the Commission by the Estate, Ms. Sherertz and Mr. Gillman indicating that the Estate had repaid the short term bridge loan used to pay for 102,697 options exercised by the Estate on January 4, 2012 and that Ms. Sherertz and the Estate caused Cede & Co. to execute a special meeting request and a request to copy and inspect the books, records and stockholder lists of the Company.

<sup>2</sup> The participants have neither requested nor received consent from Miller Nash nor the Company to quote the letter received by our counsel from Miller Nash via email on January 13, 2011 in this Proxy Statement.

- On February 8, 2012, the Estate and Ms. Sherertz, through their brokers, caused Cede & Co, the record holder of their shares and nominee of The Depository Trust Company, to request that a special meeting of the stockholders be held on March 13, 2012, 2012 at 11:00 a.m. Pacific Time at The Heathman Lodge, 7801 NE Greenwood Drive, Vancouver, Washington, 98662 for the purpose of removing the Five Directors and consideration of our seven proposed Nominees. The February 8, 2012 Cede & Co. letter also requested that, pursuant to Section 2-513 of the Maryland General Corporation Law, the Company make available for inspection and copying a list of the Company's stockholders and other Company books and records to which the Estate and Ms. Sherertz are entitled under the Maryland General Corporation Law as owners of at least 5% of the Company's Common Stock for at least six months.

## REASONS FOR THE SOLICITATION

Stockholders for BBSI Value believes the primary responsibilities of directors are to create stockholder value and be responsive to stockholder concerns. In light of our interactions with the Existing Board, and lack thereof, we have determined that a new slate of directors would be better able to create stockholder value and respond to stockholder concerns than the Existing Board.

### 1. CHANGE IN CONTROL AGREEMENTS

Several of the participants in this solicitation have previously expressed their concern over a lack of appropriate corporate governance at the board level within the Company. One example of this deficiency is the Existing Board's unwillingness to follow industry standards and best practices in the area of executive change in control agreements. Stockholders for BBSI Value are concerned that the Existing Board caused the Company, in the wake of Mr. Sherertz's sudden passing in January 2011, to enter into change in control agreements with key executives that are contrary to the best interests of BBSI stockholders. According to the Company's definitive proxy statement filed on Schedule 14A with the Commission on April 18, 2011, the Company executed change in control agreements with Messrs. Elich, Vaughn and Miller in April 2011 (the "CIC Agreements").<sup>3</sup> We believe there are two (2) areas in the CIC Agreements that are cause for concern:

#### Definition of "Good Reason."

"Good Reason" exists under Mr. Elich's agreement where he is required to "report to a successor Board of which fewer than half of the members were directors of the Company prior to the Change in Control."

Messrs. Vaughn and Miller's change in control agreements contain the same change in Board composition provision as Mr. Elich's agreement, which applies if Messrs. Vaughn or Miller is required to report directly to the Board. Alternatively, if either of them is required to report directly to Mr. Elich, and Mr. Elich ceases to be President and CEO of the Company, then "Good Reason" also exists.

We believe that change in control agreements executed by the Company's peers are reflective of industry standards. The two definitions of "Good Reason" found in the CIC Agreements related to a change in the composition of the Board are not found in change in control agreements in place at Manpower, Inc., General Employment Enterprises, Inc., On Assignment, Inc., and TrueBlue, Inc. according to filings made by each of those companies with the Commission.<sup>4</sup> The four companies referenced for comparison include the following as definitions of "Good Reason" in their change in control agreements:

<sup>3</sup> The CIC Agreements are available on the SEC's website as Exhibits 10.4, 10.5 and 10.6, respectively, to the Company's Form 10-Q filed on May 9, 2011 for the quarter ended March 31, 2011.

<sup>4</sup> General Employment Enterprises, Inc. information may be found in Exhibit 10.3 of the Form 8-K filed by General Employment Enterprises with the Commission on September 7, 2011. On Assignment, Inc. information may be found in Exhibits 10.21 of the Form 10-Ks filed by On Assignment with the Commission on March 16, 2009 and March 16, 2010, and Exhibit 10.1 of the Form 10-Q filed by On Assignment with the Commission on November 14, 2003. We are unaware of any updates to, replacements or terminations of the agreements filed by General Employment Enterprises and On Assignment and referenced by us. The participants have neither requested nor received consent from General Employment Enterprises or On Assignment to quote or cite to its filings with the Commission, including exhibits thereto, in this Proxy Statement.

- A requirement that the executive is required to move a certain defined distance away from the company's headquarters or the executive's principal office
- A material reduction in duties, responsibilities or authority
- A material reduction in compensation, bonus, or other employee benefits or a failure to pay any amounts owed to the executive

Additionally, TrueBlue provides that a liquidation, dissolution, merger, consolidation or reorganization of the company constitutes "Good Reason." General Employment Enterprises provides that a failure of the company to obtain the assumption the executive's change in control agreement following a change in control constitutes "Good Reason." Manpower includes as a definition of "Good Reason" that any material breach of the executive's compensation agreement or change in control agreement that is uncured by the company within a given amount of time. The CIC Agreements contain substantially similar definitions of "Good Reason" listed in the three (3) bullet points above. The CIC Agreements also contain a definition substantially similar to that in the General Employment Enterprises agreement related to a failure of the company to assume the executive's agreement and a definition that a significant violation of the Company's duties under the CIC Agreements constitutes "Good Reason." We believe that the two definitions of "Good Reason" in the CIC Agreements related to a change in the majority composition of the Board are not in line with the Company's peers and may serve as a tool, whether intended or not, to entrench current management.

#### Separation Payment Multiple.

Upon either an involuntary termination other than for Cause, death or Disability due to the independent exercise of the unilateral authority of the Company or a voluntary separation from the Company by the Executive for "Good Reason," the Company owes the Executive three (3) times the sum of his Annual Base Salary and his Target Bonus, both amounts determined as of the date of the Change in Control.

Manpower, Inc. provides a multiplier of two (2) to the sum of the annual salary and target bonus in its change in control agreements and TrueBlue provides a multiplier of two (2) for executives other than its CEO.<sup>5</sup> General Employment Enterprises does not include a payment multiplier in its compensation formula. On Assignment does provide its CEO with a payment multiplier of three (3), but provides a multiple of less than three (3) for other executives. And, among large cap companies, "[s]everance multiples have trended down from 3X to 2X for both CEOs and CFOs."<sup>6</sup> The following graph, which represents separation payment multiplier trends among 100 large cap companies, also supports our belief that the Company's separation payment multipliers are not in line with industry standard. The Company's CIC Agreement separation payment multipliers are not in line with both the Company's peers and a strong trend among large cap companies.<sup>7</sup>

<sup>5</sup> Manpower, Inc. information may be found in Exhibit 10.2 of the Form S-4 filed by Manpower, Inc. with the Commission on December 19, 2003. TrueBlue, Inc. information may be found in Exhibit 10.8 of the Form 10-Q filed by TrueBlue, Inc. with the Commission on May 4, 2007. We are unaware of any updates to, replacements or terminations of the agreements filed by Manpower and TrueBlue and referenced by us. The participants have neither requested nor received consent from Manpower, Inc. or TrueBlue, Inc. to quote or cite to its filings with the Commission, including exhibits thereto, in this Proxy Statement.

The participants have neither requested nor received consent from Frederic W. Cook & Co., Inc., to quote its publications in this Proxy Statement.

<sup>7</sup> The average market capitalization of the 100 companies used in the Frederic W. Cook & Co. research sample, as of June 30, 2010, was approximately \$64,681,000,000. At the close of the market on February 6, 2012, the Company's market capitalization was approximately \$186,170,000, which is significantly less than that of the companies in the Frederic W. Cook & Co. and Equilar research samples.

We also note that a report published in 2011 by Equilar, Inc. provides similar evidence based on a study of Fortune 100 companies where it was found that payment multipliers have trended downward from years 2008 to 2010: “The prevalence of 3x salary multipliers among Fortune 100 CEOs decreased from 65.9% in 2008 to 44.2% in 2010, while the prevalence of 2x salary multipliers rose from 18.2% to 34.9%. Similarly, the prevalence of 3x bonus multipliers decreased from 65.9% in 2008 to 44.2% in 2010, while that of 2x bonus multipliers rose from 15.9% to 32.6%.”<sup>8</sup> While the CIC Agreements do not comport with those of the Company’s peers, the Equilar study reinforces the point that the CIC Agreements also do not follow a trend among the largest publicly traded companies.

If some or all of our Nominees are elected to the Board such that a change in the majority of the composition of the Board as existed immediately prior to the election of our Nominees, a “Change in Control” will occur and “Good Reason” would exist under the CIC Agreements. A “Change in Control” and “Good Reason” must both exist under the CIC Agreements before the executive may voluntarily quit and receive a separation payment. Thus, any or all of Messrs. Elich, Vaughn or Miller would be entitled to a separation payment upon their voluntary termination of employment with the Company if we are successful in our proposals. Messrs. Elich, Vaughn and Miller’s salaries for 2011, as disclosed in the CIC Agreements, were \$300,000, \$250,000 and \$225,000, respectively. We are unaware of what their Target Bonuses would be at the time of a “Change in Control,” which would occur if some or all of our Nominees are elected to the Board such that a change in the majority of the composition of the Board as existed immediately prior to the election of our Nominees. The potential obligations of the Company are difficult to quantify due to unknown factors such as Target Bonus amounts, whether Messrs. Elich, Vaughn or Miller will exercise their rights under the CIC Agreements, and whether such payments, if owed, would be reduced under Internal Revenue Code Section 4999. We also believe that a “Change in Control” occurring upon our success will fully vest options granted to Messrs. Elich, Vaughn and Miller (and any other persons who are parties to the Award Agreements attached as Exhibits 10.1, 10.2 and 10.3 to the Company’s Form 10-Q filed on May 9, 2011 for the quarter ended March 31, 2011).<sup>9</sup>

<sup>8</sup> Equilar, Inc., “Equilar Study: Change-in-Control Cash Severance Payments,” available at <http://www.equilar.com/knowledge-network/research-articles/2011/pdf/Equilar-Change-in-Control-August2011.pdf>. We have neither requested nor received permission from Equilar, Inc. to cite or quote its publication in this proxy statement.

<sup>9</sup> The Company’s definitive proxy statement filed with the Commission on April 18, 2011 confirms such vesting.

To the best of our knowledge there is no agreement requiring Mr. Elich to resign from the Board if he voluntarily terminates his employment as President and CEO and receives the separation payment under his change in control agreement. As disclosed above, we reached out to Mr. Elich several times to discuss making changes to the CIC Agreements but have not had any meetings or communications with Mr. Elich and our counsel was directed by the Company's attorney to discontinue sending requests for meetings to discuss the CIC Agreements to Mr. Elich. If elected, our Nominees intend to renegotiate the CIC Agreements to bring them in line with what we believe to be industry standards.

2. WORKERS' COMPENSATION INSURANCE EXPERTISE

According to the Company's Form 10-K for the year ended December 31, 2010 filed with the Commission on April 1, 2011, the Company's "platform of outsourced human resource management services is built upon [its] expertise in . . . workers' compensation coverage."<sup>10</sup> Stockholders for BBSI Value believe that the Five Directors lack the expertise and experience our Nominees will bring to the Board in the area of workers' compensation insurance. We believe our Nominees' legal and workers' compensation expertise and experience will help the Company avoid making acquisitions in states in which the workers' compensation insurance litigation environment or laws make it impossible to earn a profit from offering workers compensation insurance. One of our Nominees, Mr. Boguski, has 15 years of workers' compensation insurance experience at the management and board level with Eastern Insurance Holdings, Inc., a company specializing in workers' compensation insurance underwriting. We believe that Mr. Boguski's and Mr. Molhoek's experience and expertise will help protect the Company and stockholder value from the potential pitfalls of navigating each state's unique workers' compensation laws and regulations, which necessarily affect the Company's ability to operate profitably in states where the Company currently operates and those it may consider for expanded or new operations.

3. BROADER EXPERTISE

The board slate proposed in this Proxy Statement includes Nominees with particular experience in the areas of management, sales, marketing, technology, finance, and corporate governance. As a result of this expertise, we believe that our Nominees are better qualified to support the Company's Branch Managers than the Existing Board. Although the Five Directors were part of the Board during the life of former Chairman and CEO Mr. Bill Sherertz, Ms. Sherertz, throughout her marriage to former Chairman and CEO Bill Sherertz, became familiar with the Company's Branch Managers and believes the Nominees will work better with the Company's current Branch Managers than the Five Directors.

4. CONCLUSION

We would like to reaffirm our support of the Company's current Branch Managers and management team, including Chief Executive Officer Michael Elich. We selected Nominees that we are confident can work effectively and closely with Mr. Elich to grow revenues and profitability over the short, medium, and long term. While we have publicly supported Mr. Elich in filings with the Commission and reached out to Mr. Elich to discuss the Company's future, we have not had any discussions with Mr. Elich. It is unknown to us whether Mr. Elich supports our Nominees. We continue to support Mr. Elich as evidenced by our proposals, which do not call for his removal from the Board.

We have disclosed these plans and our intentions to file this Proxy Statement in filings with the SEC (Schedule 13D Amendments filed with the SEC on October 6, November 22, 2011, December 22, 2011, December 30, 2011, January 12, 2012 and January 30, 2012, and Schedule 14As filed on December 5, December 14, 2011 and January 13, 2012). We urge you to vote to "REMOVE" the Five Directors and "FOR" our Nominees named on the enclosed GREEN proxy card.

If we are unable to elect our Nominees to the Board at the Special Meeting, Kimberly J. Jacobsen Sherertz, individually, intends to re-nominate for election the Nominees at the Company's Annual Meeting of stockholders. On January 19, 2012, Ms. Sherertz caused the record holder of some of the shares she beneficially owns in her individual capacity Cede & Co., the nominee of The Depository Trust Company, to provide notice to the Company pursuant to Section 1.10 of the Bylaws that she intends to bring for election the Nominees at the Annual Meeting of the stockholders, which is to be held during the third week of May under Section 1.1 of the Bylaws.

**PROPOSAL NO. 2**

**ELECTION OF THE NOMINEES TO THE BOARD**

According to BBSI's public filings, the Board is currently composed of six (6) directors. The Board may, pursuant to section 2.2 of the Bylaws, fix the number of seats on the Board from time to time by resolution to not less than three (3) and not more than (9). As of [the date hereof] we have been unable to view or inspect resolutions of the Board, thus, we are without knowledge whether the Board has established six (6) as the authorized number of directors. Stockholders for BBSI Value has nominated seven (7) highly qualified Nominees for your consideration. We believe that the stockholders of the Company should be given the opportunity to express their support for our Nominees notwithstanding the number of Board seats currently authorized. If elected and if the number of directors has been fixed at less than eight (8), our Nominees have agreed to increase the number of Board seats, as permitted by section 2.2 of the Company's Bylaws, to ensure all seven (7) Nominees are seated on the Board by Messrs. Barnes, Boguski, Firestone, Gillman, and Rombach being seated on the Board and Mr. Molhoek and Mr. Stolper filling the two (2) new seats created by a duly passed board resolution pursuant to section 2.2 of the Bylaws, should such Board action be required. Upon successful election, passing of a duly executed board resolution to create new vacancies, and filling of those vacancies with certain of our Nominees in accordance with the plan outlined above pursuant to section 2.8 of the Bylaws, our Nominees will constitute seven (7) of the eight (8) directors on the Board.

Only the Board may adopt, alter or repeal the Bylaws according to the Bylaws and Charter of the Company.

Our Nominees and Mr. Elich will hold office until the expiration of their respective terms and until their successors have been elected and qualified.

Our Nominees are committed to acting in the best interest of BBSI's stockholders and will pursue their efforts diligently and promptly.

*Background on the Nominees*

The following information sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, offices, or employments for at least the past five years of each of the Nominees, as well as discussing the specific experience, qualifications, attributes or skills that led us to the conclusion that the person should serve as a Director. Each of our Nominees has consented to serve as a director of the Company and be named in this Proxy Statement as a Nominee. In addition, Ms. Sherertz has asked Mr. Barnes to serve as chairman of the BBSI board if elected, and has agreed to indemnify the Nominees for claims relating to their agreement to participate in the slate that arise during the proxy solicitation process. Except as set forth herein, there is no arrangement or understanding between any Nominee and any other person pursuant to which he was or is to be selected as a Nominee or director. None of the Nominees has been involved in legal proceedings as described in Item 401 of Regulation S-K during the past ten years.

We do not expect that the Nominees will be unable to stand for election, but in the event that any Nominee is unable to serve or, for good cause, will not serve, the shares represented by the enclosed GREEN proxy card will be voted for substitute nominee(s) to the extent this is not prohibited under the Bylaws of the Company and applicable law, including the Maryland General Corporation Law. We reserve the right to nominate substitute persons if the Company makes or announces any changes to its Bylaws or Charter, or takes or announces any other action that has, or if consummated, would have, the effect of disqualifying any of our Nominees, to the extent this is not prohibited under the Bylaws, Charter and applicable law. In any such case, shares represented by the enclosed GREEN proxy card will be voted for such substitute nominee(s). Our Nominees understand that, if elected as directors of BBSI, each of them will have an obligation under Maryland law to discharge his duties as a director in good faith, consistent with his fiduciary duties to BBSI and its stockholders.

There can be no assurance or guarantee that the actions our Nominees intend to take as described above will be implemented if they are elected or that the election of our Nominees will improve the Company's business or otherwise enhance stockholder value.

  - 4) None of the Nominees or their Family Members are or have been a partner in, or a controlling stockholder or an executive officer of, any organization to which BBSI made, or from which BBSI received, payments for property or services in the current or any of the past three (3) fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is greater.
  - 5) None of the Nominees or their Family Members are, or have been, employed as executive officers of any entity where at any time during the past three years any of the executive officers of BBSI have served on the compensation committee of such entity.
  - 6) None of the Nominees or their Family Members are, or have been, partners or employees of BBSI's outside auditor who worked on BBSI's audit at any time during the past three (3) years.

With respect to the eligibility of the Nominees to serve as members of the audit committee of the Board, Section 10A of the Exchange Act specifies that each member of the audit committee shall be a member of the Board and shall otherwise be independent. In order to be considered independent for serving on the audit committee of the Board for purposes of Section 10A, the members of the audit committee may not, other than in their capacity as a member of the audit committee, the Board or any other committee of the Board, (i) accept any consulting, advisory or other compensatory fee from BBSI or (ii) be an affiliated person of BBSI or any subsidiary thereof. Accordingly, for the reasons stated above, we believe that the Nominees, if they are elected to the Board and nominated to the audit committee, will satisfy the audit committee independence standards under Section 10A of the Exchange Act following their election to the Board.

**WE STRONGLY RECOMMEND THAT YOU VOTE "FOR"**  
**THE ELECTION OF OUR NOMINEES TO THE BOARD.**

## OTHER MATTERS

We are not aware of any other proposals to be brought before the Special Meeting. However, we would bring before the Special Meeting such business as may be appropriate, including, without limitation, nominating additional persons for directorships, or making other proposals as may be appropriate to address any action of the Board not publicly disclosed prior to the date of this Proxy Statement. Should other proposals be brought before the Special Meeting, the persons named as proxies in the enclosed GREEN proxy card will vote on such matters in their discretion.

## SOLICITATION OF PROXIES

### Voting and Proxy Procedures

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Special Meeting. Each share of Common Stock is entitled to one vote. Stockholders who sell their shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Special Meeting even if they sell such shares after the Record Date. Based on publicly available information, we believe that the Common Stock is the only outstanding class of securities of BBSI entitled to vote at the Special Meeting.

Shares represented by properly executed GREEN proxy cards will be voted at the Special Meeting as marked and, in the absence of specific instructions, will be voted to “REMOVE” the Five Directors and “FOR” the election of our Nominees to the Board and, except as discussed below, in the discretion of the persons named as proxies, on all other matters as may properly come before the Special Meeting, including any matters incidental to the conduct of the Special Meeting, which are not known within a reasonable time before the date of this Proxy Statement.

We are asking you to remove the Five Directors and elect our Nominees to the Board. The participants who hold shares of Common Stock intend to vote all of those shares to remove the Five Directors and elect all the Nominees.

### *Quorum; Discretionary Voting; Votes Required for Approval*

In order to conduct any business at the Special Meeting, a quorum must be present. Under Section 1.5 of the Company’s Bylaws, a quorum is present if the stockholders entitled to cast a majority of all the votes entitled to be cast at the Special Meeting are present in person or by proxy. While there is no specific definition of “votes entitled to be cast,” the Maryland Control Share Acquisition Act provides that certain shares of a company may be without voting right and Maryland corporations may issue preferred stock with limited voting rights. As disclosed in the Company’s proxy statement filed with the Commission on April 18, 2011, each share of outstanding Common Stock is entitled to one vote. Under Section 1.5 of the Company’s Bylaws, if a quorum is present a majority of all the votes cast at the meeting is sufficient to approve any matter which properly comes before the meeting unless the vote of a greater proportion of all the votes cast or voting by classes is required by the Maryland General Corporation Law or the Company’s charter. Other than the removal of directors, we are unaware of any matters to be brought before the Special Meeting requiring a greater proportion of votes than is provided for in Section 1.5 of the Company’s Bylaws.

A nominee will be elected if the nominee receives a plurality of the votes cast by the shares entitled to vote in the election pursuant to section 2-404 of the Maryland General Corporation Law, provided that a quorum is present. A duly executed proxy will be voted to “REMOVE” the Five Directors and “FOR” the election of all the Nominees, unless authority to remove certain directors or vote for a Nominee is withheld or a proxy of a broker or other nominee is expressly not voted on this item (a “broker non-vote”). Under Maryland law, broker non-votes will be counted for purposes of determining a quorum and will count as votes against our first proposal to remove the Five Directors since removal of directors requires a majority of all votes entitled to be cast. Broker non-votes will have no effect on the election of directors since only a plurality of the votes cast at a meeting is required to elect a director and broker non-votes are not considered part of the votes cast. Banks and brokers acting as nominees are not permitted to vote proxies for the removal or election of directors without express voting instructions from the beneficial owner of the shares. Therefore, we urge all beneficial owners to give voting instructions to their brokers on those voting items if their shares are held in “street name” (shares held in the name of a bank, broker, or nominee on a person’s behalf).

Stockholders of BBSI may revoke their proxies at any time prior to exercise by attending the Special Meeting and voting in person (although attendance at the Special Meeting will not in and of itself constitute revocation of a proxy), by delivering a written notice of revocation, or by delivering a subsequently dated proxy which is properly completed. A revocation may be delivered either to Stockholders for BBSI Value in care of Okapi Partners LLC ("Okapi" or "Okapi Partners") at the address set forth on the back cover of this Proxy Statement or to the Company's address at 8100 N.E. Parkway Drive, Suite 200 Vancouver, Washington 98662 or any other address provided by BBSI. Although a revocation is effective if delivered to BBSI, we request that either the original or photostatic copies of all revocations be mailed to Stockholders for BBSI Value in care of Okapi at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the stockholders of record on the Record Date. Additionally, Okapi may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the proposals described herein.

IF YOU WISH TO VOTE TO "REMOVE" THE FIVE DIRECTORS AND "FOR" OUR NOMINEES TO BE ELECTED TO THE BOARD AT THE TIME OF THE SPECIAL MEETING, AND TO GRANT TO THE PERSON NAMED IN THE PROXIES THE ABILITY TO VOTE IN THEIR DISCRETION ON ALL OTHER MATTERS AS MAY PROPERLY COME BEFORE THE SPECIAL MEETING, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GREEN PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

**Proxy Solicitation; Expenses**

The solicitation of proxies pursuant to this Proxy Statement is being made by Stockholders for BBSI Value. Executed proxies may be solicited in person, by mail, telephone, facsimile, or email. Solicitation may be made by us, including our Nominees, or our employees and their affiliates, none of whom will receive additional compensation for such solicitation. Proxies will be solicited from individuals, brokers, banks, bank nominees and other institutional holders. We have requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares of Common Stock they hold of record. We will reimburse these record holders for their reasonable out-of-pocket expenses.

Stockholders for BBSI Value has retained Okapi Partners to solicit proxies on its behalf in connection with the Special Meeting. Okapi Partners will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders, and will employ approximately 6-20 people in its efforts. We have agreed to reimburse Okapi Partners for its reasonable expenses and to pay to Okapi Partners a fee of up to \$150,000. Okapi Partners will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws.

The entire expense of this proxy solicitation, including the reasonable expenses incurred by our Nominees in connection with this solicitation, is being borne by the Estate and Kimberly J. Jacobsen Sherertz. If our Nominees are elected to the Board, Ms. Sherertz and the Estate will seek reimbursement of such expenses from BBSI and will not submit such reimbursement to a vote of stockholders. In addition to the engagement of Okapi Partners described above, costs related to the solicitation of proxies include expenditures for printing, postage, legal and related expenses and are expected not to exceed \$[200,000], of which approximately \$[90,000] has been expended to date.

**ADDITIONAL INFORMATION**

**Certain Information Concerning the Participants in this Solicitation**

The Estate disclaims beneficial ownership of 55,349 shares of Common Stock directly owned by Ms. Sherertz or held by her on behalf of her minor children. As of the date hereof, Ms. Sherertz may be deemed the beneficial owner of 2,543,778 shares of the Company's Common Stock, or

This information was disclosed in a Schedule 13D amendment (Amendment No. 8) filed with the Commission on February 8, 2012.

The business address for Mr. Gillman is 15 E. 5th Street, 32<sup>nd</sup> Floor, Tulsa, Oklahoma 74103. The principal occupation of Mr. Gillman is providing portfolio management services to Nadel and Gussman, LLC, a management company that employs personnel for business entities related to family members of Herbert Gussman. Mr. Gillman may be deemed the beneficial owner of the shares of the Company's Common Stock beneficially owned by Ms. Sherertz and the Estate by virtue of their joint filings on Form 13D and their "group" formation, but expressly disclaims such ownership.

The other participants in this solicitation are the Nominees. Their names, business addresses, and present principal occupations are listed above under "Background on the Nominees." None of the Nominees owns shares of Common Stock beneficially, directly, or indirectly. The Nominees expressly disclaim any beneficial ownership of shares owned by the Estate and Ms. Sherertz.

For information regarding purchases and sales of securities of BBSI during the past two years by the participants, see Schedule I.

### Related Person Transactions

In 2009, BBSI purchased 1.25 acres of riverfront property on the Columbia River in Washougal, Washington, for a total cost of \$1.5 million. The purchase price was paid with cash of \$1,000,000 and a note payable in the face amount of \$500,000. Effective December 23, 2009, the Company entered into a triple net ground lease between BBSI and an entity formed by William W. Sherertz, who was the Company's Chief Executive Officer, and an outside third party for purposes of constructing, owning, and operating a restaurant on the property. The lease required annual cash payments by the entity of \$25,000 through 2011 and 5% of the restaurant's gross receipts thereafter through the end of the lease in December 2020. BBSI is responsible for paying all real property taxes on the property. Both the Company's acquisition of the real property in 2009 and entry into the lease with the entity in 2010 were unanimously approved by the members of the Audit Committee. Upon Mr. Sherertz's death, his interest in the entity formed to construct and operate the restaurant was transferred to the Estate, which holds approximately 25.15% of BBSI's outstanding Common Stock. The Estate has a line of credit in the amount of \$1,500,000 for an inorganic weather-in of the restaurant, secured by the property and by BBSI stock beneficially owned by the Estate.

Oregon Logistics Distribution Company ("OLDC"), an employee leasing company which employs Ms. Sherertz and is owned by the Estate has approximately 35 employees leased from BBSI and working for a Seattle company. OLDC pays BBSI approximately \$900,000 to \$1,000,000 annually.
